Automation, Digitalisation, Industry 4.0 ...

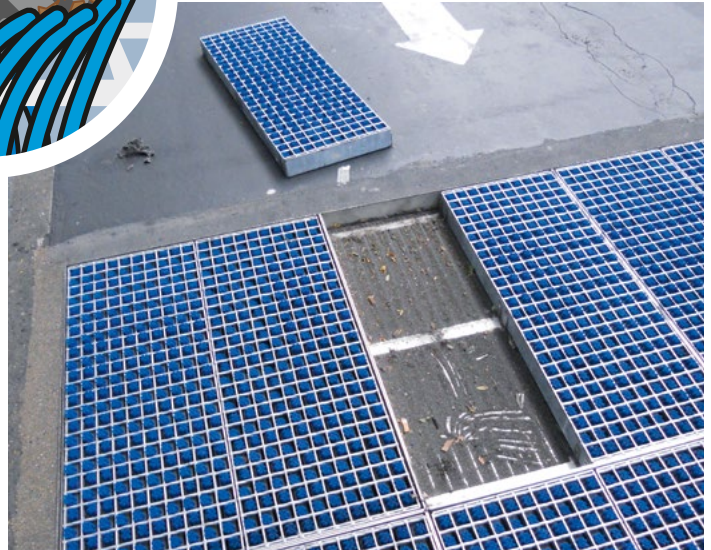

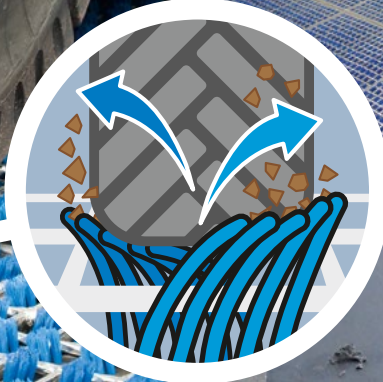

# Facility Cleanliness is the key!

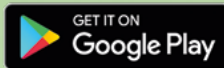

**BEFORE**

**AFTER**

# You can't eliminate dirt, you have to control it!

## Finally clean with ProfilGate® !

ProfilGate® provides “Clean Facility” solutions for the global manufacturing and processing industry, from automotive, their supplier networks to electronic, food- and packaging industry.

Multinationals as well as SMEs already rely on our patented brush cleaning system to keep their facilities clean. ProfilGate® minimizes wheel-borne contamination, caused by forklifts and other transportation devices. At the same time it prevents dirt transmission produced through heavy employee foot traffic.

## 5 Good Reasons for ProfilGate® :

- ✓ **Technical Cleanliness**
- ✓ **Improved health and safety for your employees**
- ✓ **Less customer complaints**
- ✓ **Less cleaning cost**
- ✓ **Reduced refurbishing cost**
